### Churches To Hold Special Program On Christmas Eve

Religious Services To Mark  
Christ's Birthdate In  
This Region

Christmas services in the Truckee and Lake Tahoe Churches are planned by Fathers P. J. O'Neill and Leo McAllister and Rev. Wesley Osman and Rev. Earl Langguth.

Sunday evening at 7:30 p.m. the Truckee Methodist Sunday School will present a Christmas tableau called, "The Incomparable Gift." There will be treats given to the children after the program and refreshments will be served to the adults.

On Christmas eve at 10:30 p.m. a simple candlelight service will be offered worshipers on this holy night at the Methodist Church. Christmas music, a Christmas meditation, scripture reading reserved traditionally for Christmas eve, and a special Christmas prayer all to be a part of the service. Everyone is welcome.

High mass in the Truckee Assumption Catholic Church at Truckee and the Corpus Christi Church at Tahoe City will be celebrated at midnight Christmas eve, with Christmas day mass at Truckee at 9:30 a.m. and at Tahoe City at 10 a.m.

At Our Lady of the Lake Church at Kings Beach, Christmas day mass will be at 8:30 a.m.

Confession will be held before each mass.

Special music and a program was planned for the Community Methodist Church at Kings Beach by Rev. Langguth.

### Three Accidents Reported In Area

Three motor vehicle accidents were reported in this area during the past week by Sgt. Frank Snyder of the California Highway Patrol.

Mrs. Peg E. Dempsey, 27, employed at the telephone office at Tahoe City and her son, Patrick, 8, escaped serious injury Sunday morning when the car she was driving struck a tree near the bridge over the Truckee river at Tahoe City. Mrs. Dempsey said she was momentarily blinded by the sun. Both were taken to the Tahoe Forest Hospital for examination.

Herman F. Schmid, 24, student at Stanford, was injured Saturday at 11:30 p.m. when he was struck while walking along the highway near Donner Summit Lodge. The driver of the car, Billy C. Claire, Oakland, said he did not see the pedestrian until too late to stop. Schmid was taken to the Tahoe Forest Hospital for minor leg injuries. Patrolman Bud Meixner investigated.

Falling asleep at the wheel was blamed for the accident Saturday at 11:15 p.m. when Lewis H. Burnett, Citrus Heights drove his car into a bridge railing near Boca Burnett, alone in the car was treated at the hospital and cited by Patrolman William Gautsche for being on the wrong side of the highway and not having his vehicle under control.

### Children Are Invited To View Hospital Display

Santa Claus has arrived at the Tahoe Forest Hospital in the way of a Christmas decoration on the front lawn. The large pine tree is covered with tree lights, making a focal point for Santa and his sleigh, drawn by Rudolph, the red nosed reindeer. It is hoped that the decorations will help enliven the Christmas spirit in the community. The children are especially invited to drive by the grounds in the evening and view the decorations.

### PICTURES ARE SHOWN AT ROTARY SESSION

TAHOE CITY—Twenty-five Rotary members met at Bacchi's Inn at Lake Forest Tuesday evening when M. H. Dodd of Brockway, a visitor, provided the program. Other visitors were Charles Cross of Truckee, Joe Welcher of Reno and Bob Heffner from Sacramento.

Scenes of hunting, undersea and desert country life proved informative and entertaining.

Steve Korich, president, said that the next meeting will be held in Tahoe Inn, Tahoe City.

### State Leaders Give New Assurance In Olympic Progress

Governor Goodwin J. Knight, speaking before a meeting in Los Angeles last week, reiterated his full support of the 1960 Olympic Games at Squaw Valley and said he would ask the state legislature for additional funds to provide for permanent facilities at the location.

Governor Knight has taken an active part in the Olympic planning and was among the first to urge California's support.

The delegation from California which attended the meeting at Melbourne during the Olympics there, returned last week and reported a most successful session, during which Avery Brundage, president of the IOC, praised the efforts of the Californians and promised his full support.

Prentice Hale, president of the Squaw Valley Organizing Committee, who headed the Melbourne delegation, said: "I think it will be the best layout ever offered for Olympic winter competition."

It is proposed by the committee to have all of the many events, including speed skating, ice hockey, ski jumping, bob sled runs and even cross country events all scheduled for the Squaw Valley location. Parking area will be provided near Truckee and Tahoe City and a shuttle bus service will transport the crowds to and from the valley.

Members of the Russian team are seeking permission to practice at Squaw Valley during 1958.

Others at the Melbourne meeting were Alan Bartholmey, H. D. Thoreau, P. K. Macker, Pete Rozelle and Pete Jones, all of the organizing committee and the California Olympic Commission.

### SPORTSMEN ASK TO HAVE RIVER OPEN DURING FISH SEASON

Members of the Truckee Outdoor Sportsmen meeting Friday evening voted to recommend to the California Fish and Game Commission that the portion of the Truckee river banned to bait fishermen last season, be reopened during the coming season to all legal fishermen.

The group, headed by Charles Osburn, also asked that Donner Lake be opened again this year on April 1 to provide the early season fishing.

A discussion of whether or not to recommend that Boca reservoir be opened for year-around fishing featured the meeting but it was decided to ask that the reservoir be planted instead.

Apparently lack of interest was evidenced in the small group attending the session.

### Reckless Driver Must Pay Fine Or Be Jailed

RENO—Joseph Calhoun, 39, of Crystal Bay, must pay a \$75 fine or serve 37½ days in the Washoe County Jail because he drove his car recklessly Sunday.

The Lake Tahoe laborer pleaded guilty to the offense when he appeared before Justice of the Peace William R. Beemer. He was arrested by the Nevada Highway Patrol on Highway 295 south of Reno.

### EXPECTED HOME

Expected home for Christmas are Miss Marie Osburn, attending Chico State College, at the home of her parents, Mr. and Mrs. Charles Osburn and Miss Sharon Pace, a San Francisco school student who will visit her parents, Mr. and Mrs. Tony Pace.

### Manager Visits

W. H. Haines, regional manager for the Standard Oil Company, with headquarters in Sacramento, was a business visitor with the local Standard manager, H. G. Loehr, this week.

### S.P. Oil Line Will Run Under High School Property

Board Advertises For New  
Bus To Replace  
Old Vehicle

After being assured that there could not possibly be any danger involved, the governing board of the Tahoe-Truckee Unified School District at the last meeting tentatively agreed to permit construction of a pipeline under school property as requested by the Southern Pacific Company.

The new pipeline will extend from Richmond to Fallon, Nev., and will be installed as soon as weather permits in the spring.

John Biersch, representative of the American Right of Way and Appraisal Contractors, appeared before the board to make the request. It was agreed by the board that with the approval of the school authorities and the district attorney that permission would be granted. The school will be paid \$250 for the privilege. The line will run under the football field.

Permission has also been obtained, Biersch said, to run the line under Donner State Park. It will proceed through Truckee on the south side of the Southern Pacific tracks.

Other action  
In other action, the board employed Melvin F. Jones and Terry Tollefson as ski instructors at a salary of \$325 per month plus mileage.

It was agreed to increase the rental on Carpenters' Hall at Kings Beach, currently used as classrooms from \$120 to \$140 per month.

The board approved the purchase of a new school bus to replace the old 1938 bus which was found to be no longer serviceable.

Notice of completion of a contract with Fred Baker of Kings Beach for work in grading and leveling the Kings Beach school yard was signed by the board.

Superintendent John Corbin read a letter from Franklin Tuttle concerning the creation of a scholarship or a memorial library out of public funds, as suggested by David K. Gilmore. It was the consensus of the board that the superintendent be instructed to commence quiet title action to clear title to the old Meadow Lake Union High School.

### NEW SCHEDULE OF SHOWS AT THEATER

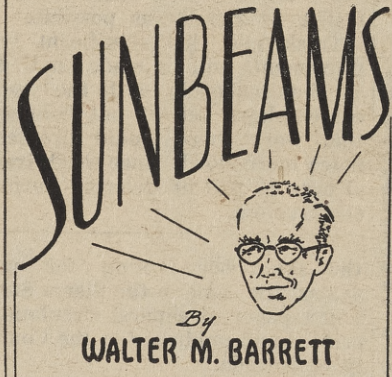

Beginning December 26 there will be only one show at the Donner Theater Monday, Tuesday, Wednesday and Thursday nights, Manager Jack Neugebauer announced. Two runs of the pictures will be made Fridays, Saturdays and Sundays. All of the shows will start at 7 p.m. as in the past with the box office opening at 6:45. The new schedule will be continued during the winter months, Neugebauer said.

### Marilyn Fong Is Born At Hospital December 16

Marilyn Fong, five pounds eight ounces, arrived at the Tahoe Forest Hospital Sunday, December 16 at 3:07 p.m. and will grace the home of Mr. and Mrs. Fong Tim Jan. Dr. Ben King was in attendance. Mrs. Fong arrived only recently from China.

### PAUL KOLTES EXPIRES

Kings Beach—Funeral services will be held at 11 a.m. Saturday at the Andrew and Greilich Mission chapel in Sacramento for Paul Koltes, 56, who with his wife operated the Pine Pantry here for many years. Koltes died Wednesday at his West Sacramento home. Details were not immediately available. Besides his wife, Pearl, he is survived by several brothers and sisters. Koltes was a native of Wisconsin.

The National Safety Council estimates that 660 people will be killed and countless others injured in motor vehicle accidents during the Christmas weekend. It is easy enough to read or hear this as nearly everyone will say, it can't happen to me. But that's where you are wrong and that's why the council has set such a high mark, because no one will admit they are at fault. Every officer of the California Highway Patrol will be on job during the holiday period to guard, as far as possible, against violations such as drunk and reckless driving, but there are too few officers to make thorough coverage and the job of being careful rests with the individual driver. If there was ever a time when care and courtesy is demanded on the highway it will be during the coming weekend, so take it easy and take a rain check on that drink for the road. Drive dry, don't die.

The entire staff at the office of the Sierra Sun joins in hoping this will be the best Christmas you and your loved ones ever had.

### John Moore Wins Rhodes Award

KINGS BEACH—Mr. and Mrs. Eddie Moore of Kings Beach received a telephone call from their son, John, that he has been given a Rhodes scholarship at the district contest which was held Saturday at Spokane, Wash. Young Moore will graduate from Reed's College at Portland, Ore., next year and is a graduate from the Truckee-Tahoe High School. He won the scholarship over contestants from six states in the western division, his major is political science.

Mr. and Mrs. Moore plan to spend Christmas in Los Angeles.

### CLEAR WEATHER IS SEEN FOR HOLIDAY

Unless a sudden change in the weather picture develops, this region will not have a "White Christmas."

Only a few isolated patches of snow remain on the ground from the storm earlier this month and forecasts do not predict snow during the next few days at least.

Tahoe City this week reported less than three inches of snow and Donner Summit had from one to three feet. This provides for some skiing, but resort owners for the most part are disappointed.

### ST. LOUIS ADORNED WITH SPORT SCENES

Winter and summer sports murals, done by the local artist, William Englehart, Jr., enhance the newly decorated walls in the St. Louis Cafe, which re-opened Monday.

The popular eating place is brightened by the new gray ceiling and rose walls completed with figures of a hunter, fisherman and skier.

### POST OFFICE OPEN ALL DAY SATURDAY

The Truckee post office will be open Saturday evening, December 22 until 5 p.m. to accommodate those who are sending and receiving letters and packages just before Christmas. No money orders or registered mail will be handled. Postmaster E. C. Bavier said.

### District Prepared For Holidays With Attractive Display

Few Register For Prizes But  
Many Have Beautiful  
Decorations

Truckee's main streets took on a festive air this week with the installation of Christmas decorations and the usual large decorated tree in the plaza.

Members of Truckee's 2030 Club, assisted by employees of the Truckee Public Utility District attached scores of small trees to the poles in front of business houses and strung colored lights down the full length of the street. The latter system is a departure from the former method in which the lights were strung across the street.

Interest in the contest sponsored by the Truckee Chamber of Commerce and the utility district for the best decorated stores and outdoor decorations apparently hit a new low. Just five applications were received by the district. However, there are scores of homes throughout the area which have more than qualified for the attractive prizes.

Three judges will be chosen, one from each of the three local service clubs, the Lions, Rotary and 2030.

The Tahoe Forest Hospital is among those to go all out in decorating for the holidays and hundreds of passing motorists as well as local people are admiring the work of the custodian, Chet Burns for his artistic arrangement.

### REID IS ELECTED TO HEAD CHAMBER AS NEW PLANS MADE

The board of directors of the Truckee Chamber of Commerce meeting at Smart's Tuesday for luncheon, approved the election of Rex Reid as president of the booster organization board of directors.

Other officers to serve during the coming year include Lee Apple, vice president; Kenneth Hedlund, manager; Earl Stice, treasurer and the incumbent nine members of the board.

It was decided to hold a directors' meeting at noon each second Wednesday of the month at Smart's with a monthly membership meeting to be announced when a date is determined.

### Former Truckee Boy Hurt In Carson Mishap

Roy A. Chaney, 13, son of Mr. and Mrs. Robert Chaney of Carson City, former Truckee residents, escaped serious injury last Thursday when he fell from the back of a pickup truck and a trailer passed over him. The boy was taken to the Carson Tahoe Hospital where his condition was described as good, his only injury being a fractured pelvis bone.

The boy's father was driving the truck and the dual wheels of the truck and trailer passed over Roy before he could bring the vehicle to a stop.

### Instruction Classes For Dancers Discontinued

Lloyd Everett, head of the Donner Dancers, sponsoring old-time and folk dancing every Friday evening at the Veterans' Memorial Hall, announced this week that the beginners' classes which have been held are being discontinued. Everyone interested, however, is urged to attend the Friday evening sessions.

Card Group Met—A lighted tree, with an exchange of gifts highlighted the party given by Mrs. Lorrin Ferdinand Tuesday evening when members of her card club group met.

### South Tahoe Will Meet Local Team Here On Friday

Carson City Wins 85 to 59  
In Hard Fought Game  
On Saturday

The TnT Wolverines receipted for their first loss of the season as they dropped a hard fought game to "AA" Conference powerhouse Carson by a 85-59 score at the new Carson High School gym.

The game was an exciting hard fought game with the Wolverines playing fine ball in only their second time out and showing much improvement over their first game with South Tahoe but unable to cope with the so-called "fantastic" shooting of the Carsonites. It was a fast thrill-a-minute game with the Senators employing a down court zone press on defense and the Wolverines led by speedy Ken Osburn and Dean Holbrook a fast break on offense.

Next action for the Wolverines will be Friday, December 21, at the local gym when they have a re-match with the South Tahoe Vikings. (TnT played Loyalton at Loyalton last night, December 19, but the results of the game were unavailable at press time.) There will be plenty of action for the hometown fans Friday as the Wolverettes will meet the South Tahoe girls' team at 2:30 p.m. in a rematch, the junior varsity will go against the "Gunkelites" in the seven o'clock preliminary, the varsity goes against the Viking Varsity at 8:30, and the eighth grade will furnish entertainment during half time of the varsity game. Local fans should turn out in droves to see this game since it is the first home game of the year and the only game until after the Christmas holidays, those that come will see Coach Brehler floor probably the finest athletic team in TnT history.

In the JV game, the Carson Juniors set the pattern for the night as they ran away from the Wolverine JV by a 50-21 score. Calvin Wilson hit 18 points for the victors with teammate Ray Close close behind with 15 markers. For the Wolverines Gary Holbrook was high with 11 markers for the night's work.

In a game played at Yerington the outstanding Wolverette girls team topped Yerington by a 50-43 score to pick up the second win of the season for Coach Raker.

### LAST RITES HELD HERE ON TUESDAY FOR MRS. BOREHAM

Last rites were given by Rev. Wesley Osman in the Truckee Colonial Mortuary Chapel on Tuesday at 1 o'clock for Mrs. Lenora Alice Boreham who died here on Sunday, after a lingering illness. Interment followed in the local cemetery.

Mrs. Boreham was a native of Texas, born on March 28, 1877 and for the past 12 years has made her home with her sister, Mrs. Minnie Coleman at the Hotel Riverside. The deceased was well known in the community, leaving many friends who regret her death.

Beside her sister, the deceased is survived by a son, Eyard Morrison of Portland, Ore., a granddaughter and three great grand children.

### Fred Perry Is Injured In Fall At South Tahoe

Mrs. Maude Gaffield accompanied by Mrs. Elsa May motored to Carson City last week to see Mrs. Gaffield's son, Fred Perry, who was taken there following a fall resulting in a fractured left wrist.

Perry fell while working in the attic of the office of the state quarantine building at Tahoe Valley, breaking his wrist in several places, necessitating an operation.

### Ray Crandall Now In Germany, Letter Says

Mr. and Mrs. Ed Crandall have recently received a letter from their son, in the U. S. Air Force, Alie Raymond Crandall and his wife who are living in Germany, telling of the beauty of the countryside.

Young Crandall is able to enjoy skiing, being stationed near excellent snow terrain.

See Game—Mr. and Mrs. Ernest DeLisle returned this week from San Francisco where they attended the Forty-Niners football game Sunday.

#### TRASK SAYS U.S. 40 WILL NOT BE FOUR LANED FOR OLYMPIC

Speaking before a meeting of the Reno Chamber of Commerce Tuesday, J. W. Trask, district engineer of the California division of highway, said that U. S. 40 over Donner Summit will not be completed by 1960 as anticipated by planners for the 1960 winter Olympic games.

Trask emphasized that work on the project between the Nevada state line and Truckee and the stretch from Truckee to Squaw Valley will be started during the coming summer.

The last section to be completed, Trask told the Reno businessmen, will be that portion between Donner Lake and Soda Springs. This, he indicated, will not be finished before 1965, under present plans.

The job between here and the Nevada line, Trask said, will cause some delays in tourist travel, but added that plans call for a schedule which will make all delays less than about two and a half hours. There is no way of detouring the traffic in that area, he said, without excessive costs, but added that every effort will be made to move traffic as rapidly as possible.

Trask said that significant improvements will be made on U. S. 50 simultaneously with the work contemplated on 40 but believed that work there would progress much more slowly since much travel over 40 will be diverted during construction.

#### AUTO WRECK BASIS FOR DAMAGE ACTION

NEVADA CITY—Personal injury suits totalling \$24,174.50, have been filed in Nevada County Superior Court against Elbert D. and Jessie A. Heller, doing business as Heller's Station, Truckee, and Andrew Garcia, et al, resulting from an automobile accident on January 30 of this year about a fifth of a mile east of Norden on U. S. Highway 40.

Plaintiffs are Milton Tod Sorensen, Robert Baldwin MacDonald and Marvin P. Hench, Jr.

Amounts asked for resulting injuries in the collision are \$15,000 general and \$2250 special damages by MacDonald and \$5000 general damages and \$524 special by Sorensen.

The plaintiffs charge negligence on the part of the defendants as causing the accident.

#### Drink For the Road May Lead To the Cemetery

SACRAMENTO (CNS) — That drink for the road can mean two for the cemetery—you and someone else, B. R. Caldwell, commissioner of the California Highway Patrol said today.

In keeping with this theme, the commissioner announced that during the month of December, the patrol will admonish drivers with the slogan, "Don't Die, Drive Dry."

The patrol is planning an extensive enforcement and information program during December to curtail accidents involving the drinking driver.

Peak efforts have been scheduled during Christmas and New Year holiday periods, Caldwell said.

"We will join in the fight against the drinking driver," said Russell S. Munro, director of the alcoholic beverage control.

Munro said that "coordination between enforcement agencies should be effective and reflect improvement in the December traffic toll."

#### APPOINTMENT DELAYED

Appointment of a superintendent and matron for the newly constructed juvenile detention home was delayed until December 13 when the board pondered the matter at their last session.

## Tahoe-Truckee School District News

### TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) We were sorry to have Pamela Nottley leave us. We hope she will be happy in Los Angeles.

We are proud of our original trimmings on our Christmas tree. George Franceschini made the star for the top from an aluminum pie plate. Mary Lou Randall made silver balls by covering English walnut shells with foil. Yvonne Johnson made very attractive icicles by twisting thin strips of tin. Sandra Ferdinand made a golden angel. Carol Hart and Michelle DeLisle made red Santas. The rest of the class are still working on their ideas.

First Grade: (Teacher, Ruth Croken.) We are all busy with the preparations for our Christmas party. Diane Patterson, Eddie Anderson and Beverly King brought Christmas records to help out with our program.

Michael Kydd, Kenny Bretthauer, Linda Russell, and Karin Meixner brought more toys for our rainy day play box.

First Grade: (Teacher, Helen Camp.) We were sorry to have Ruth Nottley leave our class.

Those completing the three primers, began reading in the primer this week. They are: Bill Rose, Wilbur Glenn, Bill Cardinal, Phillip Riden, Henry Frates, Judy Ingalls, Michael Borden and Jennifer O'Bear.

Second Grade: (Teacher, Jean Manetta, substituting for Mrs. Trask.) We are glad to hear that Mrs. Trask is progressing well following surgery. We hope she can

be back following Christmas vacation.

We miss John Spann and Eddie Steele who have moved from Truckee, but have welcomed Ruth Perry of our class.

Third Grade: (Teacher, Arlene Roth.) We all wrote "get well" letters to Mrs. Trask this week.

Class officers for the month of December are: Kristin Meixner, president; Doug Nelson, vice president; Larry Digesti, treasurer and Ricky Ralphs, secretary.

Fourth Grade: (Teacher, John Stever.) Santa Claus' fourth grade helpers gave him a big hand during the week. Drawing the eight-foot portrait of St. Nick presented a real task for Gary Jensen, Gloria Boyer, Bobby Burkhardt, Teddy Daniels and Steve Davis. Construction of the picture sled, one that has met with two accidents, is in the hands of Eddie King, Danny Garcia, Mike Ingalls, Kenny Taylor, Jimmy Roth, Dave Saroni and

Dave Fordham. The reindeer were drawn by Linda Banyard, Gloria Boyer, Gary Sturcke, Donnie Thomas, Donna Haune, Wade Mosley and Denny Stumbaugh. Room decorations are being made and arranged by Marcia Leamon, Judy McGinn, Martin Hill, Carol Kunkler, Peggy Berger, Skipper Petersen. Making the chains and equipment are: Greg York, Nancy and Tommy Barth, Tony Kenyon, Mike Harris and Wilana Curran.

During the week the lunch cards and equipment were distributed by Danny Garcia, David Saroni, Dave Fordham and Eddie King.

Sixth Grade: (Teacher, Ruth Roberson.) This week our class made maps of the New World illustrating the continents of North and South America.

### DONNER TRAIL SCHOOL

Our school was invited to attend the Christmas program sponsored by the Sacramento Bee and the Donner Theater, last Friday, De-

cember 14. This was the first year that Donner students were asked to come. Everyone agrees that it was a wonderful show and we appreciate very much that we were permitted to participate.

Miss Kessey's class performed the "Twelve Days of Christmas" Wednesday night. Mr. Bailey's class will present the Nativity Story. Those participated in the Nativity Story were: Albert Eberhardt, Leonard Watts, Carl Shusky, Tommy Tirkeldson, Bruce Bailey, David Watts, Ross Merica, Howell Burchfield, Bradlee Heckle, Bunny Board, Nancy Burchfield, Ronald Bailey, Ricky Schull, Billy Strickland, Candy Board, Sharyl Levy, Karen Hansen, Pamela Libbee, Mary Sue Libbee, Cynthia Timmons, Laurel Mason and Kenneth Kisor.

### TAHOE LAKE SCHOOL

Kindergarten and First Grade: (Teacher, Geraldine Bean.) Ernie Marier scored the highest in his

group on the reading vocabulary test. Tommy Gregg, Jimmy Henry, Mike Burner and John Spitsen were the top boys in their group on phonics drills.

Our class discussed bus safety again this week with play drills on the correct procedure for crossing highways and getting on and off the bus.

First and Second Grade: (Teacher, Mrs. Beavers.) We have started to decorate our room for Christmas.

The second grade has made a paper Christmas tree starting from a bare trunk and branches, then adding green branches of paper and finally all sorts of paper decorations and packages under the tree.

Third and Fourth Grade: (Teacher, Lillian Farr.) Bus loading at the Tahoe Lake school has been accented with a supervised unloading in which Mr. Christiansen has watched each child's response to exits from the and moving in front of the bus, and looking before crossing any roadway or highway.

Fifth and Sixth Grades: (Teacher, Mrs. Helen Rauscher.) The fifth and sixth grades have awarded their space to fifth grader Howard Cincotta's Christmas story, "Christmas Night."

### KINGS BEACH SCHOOL

Kindergarten and First Grade: (Teacher, Elrose Knudsen.) This week we have spent some time preparing for Christmas. Mr. George Burris, Georgia's father, gave us a tree for our room, and we have it decorated.

Donna Martin, Sandra Martin, Kenneth Muschetto and Alice May Birch brought small pine cones to paint and hang on the tree. Bobby Brandt, Aaron Hibel and Mrs. Corbin brought egg cartons so we could make bells for the tree.

We have another new first grade boy. He is Jeff Graudemman. Jeff comes from San Jose.

Second and Third Grade: (Teacher, Katherine Wing.) During arithmetic, we made clocks out of paper plates. Using these clocks, both grades learned how to tell time.

We want to thank the Teachers' Parents' Association for the record and book they presented our room.

Gale Gratton brought the Nativity to add Christmas spirit to our room.

Cathy Rockholm brought the book "Parsley" and Mrs. Wing read it to us.

Bruce Templeton brought us a small fir tree. This tree will be used in our Christmas play. Mel Throop made the stand for the tree.

The following boys are practicing the Wooden Soldiers' March for our Christmas program: Billy Hobbs, David Hughes, Andy Thompson, Vern Wing, Bruce Templeton, Chris Althof, Kenny Kammerer, and Darryl Lausche.

ing the Wooden Soldiers' March for our Christmas program: Billy Hobbs, David Hughes, Andy Thompson, Vern Wing, Bruce Templeton, Chris Althof, Kenny Kammerer, and Darryl Lausche.

Mrs. Charles Spaulding, mother-in-law to Red, is taking over the chef duties while Trapp convalesces.

Mrs. Pearl Martin furnished the lights for our Christmas tree.

Third and Fourth Grade: (Mrs. Dorothy Corbin, teacher.) This week in our classroom we were decorating our Christmas tree.

Today we drew names at school for our Christmas party on Friday, December 21. Each child is to bring a gift not to exceed 50c.

Our third and fourth grades have enjoyed singing Christmas carols.

Fifth and Sixth Grade: (Teacher, Ramond Bisio.) With the melting snow, work again gets underway on the giant size map of the United States.

Work on the Christmas program is coming along nicely. So far it looks as though the Brockway Theater will be the place for the program. Thursday night, the 20th, 7:30 p.m. is the time.

## TRUCKEE TIDBITS

By SWANEE  
(Phone Truckee 188)

High praise was voiced by those attending the Truckee Community Methodist Church on Sunday evening last at which time Victor Mc-

Lane and his choir sang the Christmas cantata, "Even Unto Bethlehem," before a large audience. Soloists were Helen Ellis, James Pringle, Peggy Kishbaugh and Rev. Wesley Osman. Local residents are hoping the chorus, under the direction of Mr. McLane, will offer more concert music of a similar pleasing nature in the near future again.

Rev. Osman issues a reminder to local church-goers to attend the Christmas eve candlelight services at the church which will start at 10:30 p.m. All are welcome to attend.

Father Patrick O'Neill this week announced the new schedule of services which will continue throughout the winter skiing season. At Truckee Assumption Catholic Church mass at 9:30 a.m., Soda Springs, Beacon Hill Lodge, basement, 8 a.m. Squaw Valley Lodge, 9 a.m. Corpus Christi Church, Tahoe City, 10 a.m. and at Our Lady of the Lake Catholic Church, Kings Beach, 4 p.m. in the afternoon.

Truckee lost two of its younger residents recently when Mr. and Mrs. Gordon Stewart left to make their home in Tucson, Ariz. They stopped enroute to pay a ten-day visit at the home of her dad, Albert Trent, in San Pablo.

Mrs. Mel Thornton observed another birthday last Saturday. On the same day son Bill came down with the flu and a high tempera-

ture which has kept him from attending school for several days.

Had a Christmas card and grand letter from Pvt. Gerald A. Quam, son of Truckee's Mrs. Gladys Quam, who is stationed with the U. S. 8th Infantry Division in southern Germany. He reports the weather very unpleasant, with a few snow flurries to date, and is looking forward to being transferred to the ski patrol at Garmisch, if present plans materialize. He expects to take some leave time in the spring to visit some of the interesting spots of Europe, his first stop to be Norway where he has many relatives. He promises to write again and assures me there's just no other place in the world like California . . . and I agree.

Some Truckeites will entertain at home over the Christmas and New Year holidays and others will visit relatives and friends out-of-town. Mr. and Mrs. C. B. White had a nice surprise this week when they learned their son, C. Bernard White, Jr., consulting engineer of Sacramento, his wife Velma and daughter, Marilee will enjoy several days at Christmas at the White home here. The Whites are adding to the festive spirit of the season by installing a lighted tree in one corner of their conservatory, the gift of Mr. and Mrs. Miles Horn.

The Frank Gianninis will motor to San Francisco Thursday and will be the Christmas dinner

guests of his mother, Mrs. C. G. Browne. While below they will also spend some time at the home of their son-in-law and daughter, Mr. and Mrs. R. W. Sykes and family in Berkeley.

The William Curans and daughters, Sheri, Merri, Wilana and Shauna will join Willie's 80-year-old mother, Mrs. Annie Curran of Reno for Yuletide dinner. Other guests will include Mrs. Dorothy Capurro, Mr. and Mrs. William Pendergrass, Jack Bronell, all of Reno, and Mr. and Mrs. Edwin Clary of Sparks.

Mr. and Mrs. Lynn Kishbaugh and daughter, Jan, will journey down the valley to spend the Christmas holidays with her folks, Mr. and Mrs. George Marquardt of San Jose. They plan to return and spend New Year's eve here.

Mrs. William Englehart, Sr., was the guest of honor at a family dinner party on Sunday evening at the Englehart, Jr., home, the occasion marking another birthday. William Sr., William Jr. and Punky, Merrill and Gail aided their mom, and grandmother, in disposing of the beautiful birthday cake. The Englehart juniors are a bit dejected this year as Mrs. Englehart's sister and husband, the Freeman Campbells of Arcadia, and her dad and mom, the J. A. Browns, will miss spending Christmas at Truckee the first time in

seven years.

Mr. and Mrs. Jack Wolert will have as their houseguests during Christmas week Mr. and Mrs. William Wilkie and son, Billie, of Stockton. Over New Year they will entertain Mr. and Mrs. Ernie Kahl and two children of San Francisco. The Kahls on November 13th received their most highly prized holiday gift—American citizenship. The Wolerts brought them out from Germany in 1951 and were proud to be their sponsors at the hearing. Mrs. Karl is Mr. Wolert's niece.

Unusual interest was shown in the recent exhibits made in the special showcase near the cafeteria in the hallway of Tahoe-Truckee Unified High School for a two-week period by Mrs. William Curran and Mrs. Dorothy Daniels of Truckee. Mrs. Thelma Meiss, instructor of English and social studies at the high school sponsored the showing of Donner Trail relics which are of rare value and interest, in correlation with books on subject on hand. Mrs. Curran and Mrs. Daniels loaned for the occasion their prized collection, gathered through years of hard digging and research, over the original Donner Trail, a hobby of theirs which is also a hard task master. The articles included a pewter spoon and three tined pork and pottery, one piece of which carries the same authentic design as other pieces in the Sutter's Fort Museum at Sacramento: beads, buttons, many arrow heads, one made of unusual flint, handles of articles, a baby shoe, piece of leather money pouch and some bones, as yet unidentified as of human or animal origin. There is a movement underway among some Truckeites with more than usual interest in the historical lore of this part of the state to eventually secure an appropriation from the legislature, and should this come to pass it is planned to erect a museum at Donner Park in which to house all these priceless old objects, along with those new displayed at Sutter's Fort.

William Curran and Bob Boubier were among successful hunters over the past weekend going to Alturas for their shooting. Willie brought home a prize Canadian honker (along with some ordinary geese) which weighed in at 14½ pounds and had a wing spread, 'tis said, of approximately six feet, and he had to run his bird down for a quarter of a mile since no dog was along to do the chasing. Next weekend Mrs. Curran is taking along a couple of their daughters, and her scintillator, will look for uranium while the men folks hunt ducks . . . or more geese!

## COUNTIES SHARE IN HUGE U. S. FOREST SERVICE REVENUES

SACRAMENTO—Robert C. Kirkwood, state controller, announced that Nevada County's share of the \$5,294,356 apportionment of U. S. forest reserve receipts is \$75,504.39. Placer County received \$148,716.44.

Apportioned among the 39 California counties containing U. S. forest reserve areas, the total of \$5,294,356 represents 25 percent of the total forest reserve revenues in California received by the federal government during the fiscal year ended June 30, 1956.

The state controller explained that one-half of the amount apportioned to each California county is deposited in its forest reserve school fund, and one-half in its road fund.

Ten counties having slightly over one-half of one percent of the state's population, but including more than 28 percent of the total forest reserve area in California, will receive approximately 27 percent of the apportionment.

These include: Alpine, \$77,188; Mono, \$15,775; Sierra, \$190,506; Trinity, \$352,342; Mariposa, \$36,735; Del Norte, \$303,419; Amador, \$43,783; Modoc, \$328,769; Calaveras, \$28,365; and Lake, \$46,832.

The five counties receiving the largest payment are: Siskiyou, \$1,098,230; Plumas, \$752,819; Trinity, \$352,342; Modoc, \$328,769; and Del Norte, \$303,419.

## NEWS NOTES FROM TAHOE

By Naomi McLane  
P. O. Box 195, Tahoma  
Thanks PTA

It is certainly good to see community spirit evidenced anywhere and there have been fine examples of it here at the lake and in the lake area all this fall. The recently formed youth clubs make one case in point and another is the wonderful dinner given by the PTA down at the high school last week. I believe more than 250 people were served and it was all done with such seeming ease and no clutter. And what delicious food! Whoever were in charge deserves much praise.

### Scout Dance

Another delightful evening for a younger section of the community was sponsored by Mr. and Mrs. Rik Giannini, Girl Scout leaders, at the Community Hall here in Tahoe City. The Girl Scouts held a Christmas dance to which classmates were invited. The sponsors felt that too often parties for this age group can become quite rowdy so real effort was made toward a formal atmosphere. The Christmas decor, which Mrs. Carl Bechdolt, Sr., helped to carry out, was lovely and the girls in their pretty dresses and the boys in their best all contributed to a delightful formality. But do not think the evening was still or stuffy. A rousing Hokey Pokey started the dancers off in gaiety and Santa Claus himself appeared in the middle of the evening to conduct a game of donkey pintail. Mrs. Giannini wanted public thanks to go to Harold Farr for his help with the music and to the Women's Club for the beautiful cake which they donated for the Scouts. The Scouts sang a nice version of the "Twelve Days of Christmas" during the evening. Much credit should go to Rik and Bernice for the great effort they gave for such pleasure for the youngsters.

### In Marines

Mayton Record has some interesting sidelights to tell about his first weekend as a marine. He was the first man ever to be sworn into the marines at Pickled Meadow near Loon Lake. Mayton says, "It may be Pickled Meadow. I was too cold to be sure!" The men were bedded down in two feet of snow and even before his swearing-in, Mayton had the privilege of standing guard duty for two hours in the smallest hours of the night.

### Holiday Place

The W. W. Meins are having their Tahoe Tavern Heights house readied for Christmas up here.

### Builds House

Bertel Anderson is building a most interesting house and office at Edward's Lodge in Tahoma. It is of construction which Anderson plans to go on with this next summer. The walls of the first floor of the house is of 6 by 6 rough cedar. The big squares are spiked together with long spikes, and

sealed with hydrosealer. This construction makes insulation unnecessary, of course, since outside and inside wall are all one. Anything may be done to the interior if a builder so desires but the natural finish is beautiful. Anderson says that, unlike pine, the cedar grows lighter with the passing of time. Andersons bought Edward's Lodge this late summer. The Andersons will move from their Pineland home for the duration of the season next summer.

### Home For Holiday

Gary Anderson, Bertel's son, who graduated with honors from Tahoe-Truckee High last year, will be home from Cal for the Christmas holidays.

### Program Tonight

Do not miss the Tahoe Lake school program this coming Thursday night. Mrs. Solveig Beavers is in charge of music and each class will present a part of a little girl's Christmas dream. The children are having fun preparing this program for their parents and friends.

### Christmas Program

Mrs. Evie Waters, superintendent of the Tahoe Community Sunday School, announces a Christmas program at the Community Hall this Sunday morning at 10 a.m. Each class will take part and there will be gifts for all. Mrs. Waters wanted especially to extend her appreciation and thanks to the teachers who have given of their time to prepare this program. Eunice Hendrikson and Helen Hewitt have been teaching cradle and nursery school; Betty Starratt, the beginners; Betty Shontz, Juniors I and II; and Evie Waters has been teaching intermediates. If anyone is interested there is a need for teachers there. Just see Evie Waters or Mabel Nielsen.

### Birthday Parties

Two girls had birthday celebrations Saturday afternoon. One was a little girl grown to be five. Dorothy Pomin entertained at the home of her parents, Bob and Vi Pomin. Anne and Sally Starratt, John and Jim Caulkett, Karen Henry, Jayne and Bro Shontz, and Danelle, Dorothy's sister, were guests for the cake and ice cream and games.

Eleven-year-old Mary Ann Spitsen had a beautiful cake which her mother, Mrs. Les Spitsen, had made and decorated. It was an angel food cake in the center of which Joyce had inserted a doll. The cake was then floured and flowered in the form of a hoop skirt. Almost too pretty to eat. Suzanne and Linda Sprague, Danelle Pomin (two parties, Danny!), Karla Kiser, Penny Clark, Erica McLane, Jeanne Spitsen, and Johnnie Spitsen all helped Mary Anne celebrate.

### Sympathy

Thursday was just not Tahoe City's best day. Dorothy Van Allen was already hospitalized from her accident on Dollar Hill, Red Trapp was sent down in the very early hours with what we all hope was only a mild heart attack, and little Brad Jorgensen was badly burned in the fireplace of his home. This

### NOTICE TO BIDDERS

The Board of Trustees reserves the right to reject any or all bids, in part or in toto, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

Bidders are required to submit complete specifications for any

is a personal note but I could not help but be reminded of our own help from this community as I saw how it worried and hoped for all three of the people in these mishaps.

### To Visit Father

Mr. and Mrs. Ernie Le Pire will go for about a month to North Dakota where they will visit Mr. Le Pire's father who will celebrate his 97th birthday on Christmas eve. He plans to make it a hundred in three years but Mr. Le Pire says they feel a 97th birthday deserves celebrating too.

### In Van Nuys

Mr. and Mrs. Ward Knapp of Lake Forest have gone to spend the winter in Van Nuys.

### At Rocklin

Mr. and Mrs. Marshall Ruhkala and their boy will spend the Christmas week with relatives of both sides of the family in Rocklin.

### In Capital

Mr. and Mrs. Steve Korich will spend the holidays in Sacramento with their new grand baby.

### Gifts Exchanged

A surprise Santa Claus visited the Women's Club meeting at Bacchi's Inn this last week. Until "he" unmasked they did not guess it was Ruth Lee. Gifts were exchanged as is the club members custom and Laura Wilson accompanied the group in carol singing.

### Closing Home

Robert and Dorothy Wray are closing their home in Tahoma for the first winter in the eight years since Bob built it. With their daughters, Joanne and Rosemary, the Wrays will spend two or three months in Modesto.

Upon their return Bob will open his new Homelite saw and tool rental and repair shop in Tahoe City. We will give more news about this at that time.

## PLACER PROPOSES NEW TREE ORDINANCE

AUBURN—A new ordinance regulating the cutting of Christmas trees in the county will be presented to the board of supervisors for adoption by Sheriff William A. Scott.

Scott said thousands of dollars worth of trees have been stolen in Placer County every year by tree dealers and individuals. He said that while the present ordinance provides penalties for unauthorized cutting, the new measure would pinpoint responsibility for the unauthorized taking of trees.

The sheriff also plans to increase the number of spot checks of cars and trucks hauling trees in the county.

## Tighter Liquor Law Enforcement Will Be Sought By Director

SACRAMENTO (CNS)—A turn of the vise—tightening of the enforcement against liquor law violators—will be put before the 1957 legislature in the form of a motion recommending cutting time for filing an appeal from departmental decision from the present 40 to 15 days, Russell S. Munro, alcoholic beverage control director, announced today.

In addition, Munro said he is cutting the interval between announcement of decisions rendered by the board and the effective date from the present 48-49 days to 42. He said future decisions by his department will be given weekly, instead of every three weeks.

## SALES TAX WILL BE CHARGED IN PLACER

AUBURN—Placer County Supervisors agreed last night at a meeting with city and chamber of commerce representatives to inaugurate the Bradley-Burns 1-cent county sales tax.

Supervisors agreed to an 80-20 split between city and county. The recommendation for the 80-20 split was made by City Councilman Joseph Colnar of Roseville and the motion for acceptance was made by Supervisor J. B. Paolini of Roseville.

Cities represented were Auburn, Roseville, Rocklin, Colfax, and Lincoln. Under the agreement, the cities will receive 80 percent of all the sales tax revenue taken inside their city limits, and the county will receive 20 percent. The county will retain the full 100 percent of the tax on all sales outside the city limits.

Supervisors agreed to adopt the tax measure at their next meeting, but it will not go into effect until April 1.

### A CHRISTMAS FABLE...

'Twas the night before Christmas, just about a year ago. Not a creature was stirring, 'cept a mouse named Peter Po. Peter had a knotty problem, 'cause he hadn't had the thrift To save enough to give each friend a little Yuletide gift. He'd hoped to give them lettuce, a rare treat for a mouse, And that's what he was searching for, all throughout the house. Then suddenly he saw some! But when he tried to nudge it A trap went snap on Peter's tail—alas, he couldn't budge it. Well, after several days Peter finally did pull free, But much too late to give his friends a Christmas gift, you see.

YE  
OLDE  
MERRIE  
CHRISTMAS  
TO  
ALL

All is set for the great BIG Christmas party to be held on the golf course on Saturday at 1 o'clock. All the children are in-

vited to be there for the time of their young lives. Gifts galore, and a real Santa Claus in the person of Rev. Earl Langguth. Of course if he should have a big storm, the party will be at the schoolhouse, but it will have to be a big one. The new fire truck will assist Santa and his bag of toys to the scene of the party. Have you seen the big lighted tree at the golf course? It's a dandy and more donations have been coming in. This time from the fire-

men and the Women's Club.

Now listen again, here is another treat for the youngsters, there will be a Christmas party at the Sunday schoolhouse this Sunday at 9:30 a.m., so be on your good behavior, and be sure and attend, says Mrs. Graton.

Ladies' Auxiliary VFW

On Saturday, 22nd, the members of the Ladies' Auxiliary are inviting the members of the VFW and invited guests to a cocktail party and dinner at the Crystal Bay

Club. Cocktails at 7 p.m. Welcome Visitors

Loma Sorensen will be home for the Christmas and the New Year holidays. It is hoped by Andy and Alice that Ray and his wife and baby will also visit for a day or two, if not for the whole holiday season.

Gone South

Harvey and Pearl Martin will spend the holidays in Las Vegas with relatives, the Galleranis.

Big Times

Well, so happy to hear that Joe DeGregorio and Enola are going to be at the Biltmore Hotel this winter. Joe will have charge of the bar and of course Enola will be at the organ. Can you imagine anything more perfect for both of them and those who will wish to visit them in the big casino upstairs. They will be there at least on Friday, Saturday and Sunday nights.

Top O' The Hill

Two great big weekends are on tap at the Crystal Bay Club. T. Tex Tyler and his trio will be there on Saturday the 22nd and then on the following Friday, Saturday, Sunday and Monday weekend over the New Years weekend. There will be all the fun that your heart desires, dancing, eats, cash prizes, go up there and spend the days from breakfast to supper. Don't forget there will be colored TV of the Rose Parade on New Years day at 9 a.m. There will be an extra special menu. You just can't afford to stay home. See big ad on another page of this issue.

Shots

The VFW arranged to have polo shots given to a large number of young people and older ones at the school in Kings Beach last Wednesday night. Wiley Jones informs me that upwards of 160 persons signed to receive these shots, and says a date will be set for those of Tahoe City to take them right after the New Year.

Party

On Wednesday night last, E. E. (Skeet) Thompson, Jr., entertained all of the employees that had worked with Skeet through the year of '56 at a cocktail party and dinner at the Crystal Bay Club. It was one of those never to be forgotten nights. The wives of all the men attending made the evening colorful and interesting. Skeet is a building contractor living in Kings Beach.

Sport Funs

Quite a crowd arrived at Crystal Bay last weekend, but the lack of snow held the number down. It is expected there will be no less than 16 bus loads over both Christmas and the New Years some of whom will be at the Tahoe Biltmore Hotel.

Oldtimers

Bill Dugan one of our oldtimers and an ardent member of the VFW of Crystal Bay, is on his way to Riverside for the holidays which he will spend with his two daughters. Bill also has five grandchildren, and three great grandchildren. Knowing Bill as we do a great time is assured him.

Cutting Over

Well the Christmas tree cutting season is just about over, and a relief indeed. Even John Schindler, the U. S. Forest Service man, has gone north to be with his family. It is a well earned rest for him, after chasing violators all over the area. He did a good job.

LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe Monday stood at 6227.78 feet with 354 cfs of water leaving the gates. No precipitation was recorded during the past week and temperatures have ranged from 20 to 47 degrees.

An estimated 1,830,000 tons of talc has been produced in California since 1900.

**IN THE BOARD OF SUPERVISORS COUNTY OF NEVADA, STATE OF CALIFORNIA**

Thursday, December 3, 1956.  
Regular Meeting.  
Present: John T. Trauner, Clerk, Wm. J. Cassettari, Dep. Dist. Atty.

The meeting was called to order by Chairman Clark at 10:05 A. M. and the following members were noted as present: Curtis R. Clark, Chairman, John L. Frank, Jerome C. Coughlan, Guy N. Robinson and Henry Loehr.

The minutes of the meeting of November 14 were read to the Board by the Clerk and a motion was made by Supervisor Robinson seconded by Supervisor Loehr, and passed unanimously that the minutes be approved as read.

Mr. Charles J. Smith, County Road Commissioner, appeared before the Board with a petition signed by the residents of Bost Ave. requesting authorization to utilize county road equipment to regrade said Bost Ave. A certified check in the amount of \$160.00 accompanied the petition to reimburse the county for the use of the equipment. A motion was made by Supervisor Clark, seconded by Supervisor Loehr, authorizing the Road Commissioner to regrade Bost Ave. The motion was passed with one dissenting vote—that of Supervisor Frank.

A discussion was entered into with the County Auditor, the Board and the Road Commissioner concerning an \$18,750.00 Federal Court award for damages to a county bridge. It was the opinion of the District Attorney that the said award should be deposited in the General Fund as unanticipated revenue subject to future appropriation by the Board.

Upon motion made by Supervisor Frank, seconded by Supervisor Loehr and passed unanimously, the County entered into an agreement whereby the Forest Service would remove snow from the road-way between Truckee Ranger Station and City of Truckee upon request and instructions of the Truckee District Ranger or his authorized representative.

A communication was read to the Board by the Clerk from the North San Juan School District requesting the County Road Department grade and level their school yard. The clerk was directed to inform the Trustees of the North San Juan School as to the various ways this could be accomplished.

At the request of Mr. Smith and upon a motion made by Supervisor Frank, seconded by Supervisor Loehr and passed unanimously, the Forest Service was allowed to rent the old county building on Broad Street at the rate of \$30.00 per month.

A motion was made by Supervisor Frank, seconded by Supervisor Loehr and passed unanimously granting authorization to any supervisor desiring to attend a meeting of the Mother Lode Supervisors' Assoc. on December 7th in Marysville and the necessary expenses incurred shall be deemed a proper county charge.

Mrs. Melva Hiller appeared before the Board requesting the Board to adopt a resolution concerning the utilization of Beale Air Force Base. Upon a roll call ballot the following vote was recorded:

Supervisor First District Aye  
Supervisor Second District Aye  
Supervisor Third District No  
Supervisor Fourth District No  
Supervisor Fifth District Aye.

Mr. Kenneth M. Trigger appeared before the Board requesting a petition concerning a veteran's exemption be granted. After considerable discussion with Mr. Trigger, the District Attorney and Mr. Kitts, County Assessor, the Board felt the petition should be granted.

A motion was made by Supervisor Loehr, seconded by Supervisor Frank and passed unanimously that the sum of \$200.00 be transferred from Unappropriated Reserve to Budget Code No. 612 in the State Fair Exhibit Category.
